Dear Sir,

With reference to the subject and reference cited above, it is to certify that the Fire Extinguishers installed in the school building in both primary and secondary building are in good working condition and are being regularly checked by the Fire Fighting team of the project. Further, it may also be noted that there is a well-equipped fire station having two fire tenders with well-trained fire fighters for any fire incidence at your school premises can be tackled effectively.

This is for your kind information please

Thanking You,
